

Another round – another screamer!

By now we are on the road to destiny, I hope the view is clear!

H – Manmeat – The Rookie is back.....

Crossing 18 postcodes to get there, it was Manmeat's time to face the grade leading master blasters out there in Colombo, err Schofields.

Schofields were lucky to avoid a forfeit, Somejerk Rammedmycar saving the day after finishing his shift at 7/11 and sprinting down to form the squad.

With plenty of rage following a loss last week Manmeat set the tone and were immediately in to bat with a nice start with 6 across the plate in the first dig.

Although they only managed to get 3 across in the first innings, Schofields showed plenty of power, lofting balls out to deep long on and long off with some nice cover drives also. Manmeat 6 - Schofields 3

The next dig was a little challenging for the Manmeat, their chucker whistling the balls in finely and with good fielding, they were too good for the young and old restricting us to 2. Finding the deep and frustrating Mick Berenger at centre outfield, Sri Lanka got 5 across in the second, they would have been 6's all of them. Manmeat 7 - Schofields 8

The third was an even contest, some nice pitching from Evan and stringent fielding saw both teams restricted to two apiece. Manmeat 9 - Schofields 10

In the last with some nice stealthy running between the wickets and some nice hitting from all of the lads we had 7 across and it was side away.

In some overtime, it was Sri Lanka's last and they had to get 4 to tie. Doubledekkar Baas kept the toe of his bat warm bashing it away ready to face young Berenger pitching. Unluckily for him, he punted one away straight back on the volley to young Berenger, and was out at first without even attempting a run. At that stage it was game over for them, losing focus and form.

Final score Manmeat 16 - Schofields 12.

The 13th Man Meat

F2 ride down the escarpment to the cauldron.....

The boys travelled to Penrith by horse and carriage on Saturday. It felt like it anyway with roadworks closing down half of Penrith.

After knocking off Panthers in the first game the boys were confident. However, a mixture of their starting pitching having a great day and is not hitting when runners were on base made the difference in the game.

Macca started well, before Panthers hit a few balls REALLY HARD, followed by a few errors and a couple of bloopers saw them up 7-1 after 3 innings.

Kurt took to the mound and proceeded to shut down their offence, while we started chipping away at the lead. We turned a double play through Kurt, Brad and Adam and we fed up the momentum shift.

The score reached 7-4 before finally ending 8-4. We were only out-hit 10-8. But key hits were the difference. Chris Jones and Wayde Billett each collected multiple hits for ROYALS but in the end, we weren't good enough on the day.

We will have to jog the memories and get the Navman's synced to return to Royal Lomatia this week for our first home game of the year.

H Royals – back to our real home ground and no casualties.....

Les dames et les Clarkes assortis sont arrivés au diamant détendu et prêt à faire des dégâts. Le MacKillop quelque chose ou d'autres sont apparus et nous savions que nous devions prouver nous-mêmes.

Loren était sur le monticule, ils balancent ils leur manquent ils ont frappé un Screamer à la 3ème-Nikki avec la prise de la semaine. Premier match de la saison avec une équipe complète. Un coup à gauche profonde et Pete l'obtient dans et un double jeu à Brenno et Shannon. Matt secoue la tête-d'où vient-il. Nous sommes à la batte, C2 frappe tout le long de la troisième ligne de base coureurs reviennent à la maison. C1 = K2.

Loren jette deux manches glorieusement, et Nikki est à la hauteur. Mais son bras n'est pas venu jouer. Après de nombreuses promenades, Jobbo est dans et avant qu'il puisse l'éteindre, ils obtiennent 7 in.

Après trois-7-5 vers le bas et C1 dans le pitch et ne va bien, vous savez, un peu, OK. Ils obtiennent 7 de plus dans le quatrième et nous sommes grillés.

Une mention spéciale à tous mes joueurs de femme-Kristy, Betina et Cate-vous êtes toujours magnifique.

Libby toujours fidèle dans le droit-ne croit pas le bras latéral lanceurs vitesse-vilain garçon!

Certains jours, vous mangez les humbles tartes, certains jours, il vous mange???
Le jeu est terminé et le choc des chocs pas de hot-dogs, nous sommes indignés-
Mackillop est en rage-mais pas de cantine!

triste.

G3 – what do you mean you can't remember - Jeff.....

G3 played at royal Lomatia taking on equal 1st place Mackillop gold. First innings was solid with Mackillop getting 2 across the plate. We came up to bat and put 7 on the board. Next innings Mackillop base runner thought we were playing gridiron and took out Jeff at 3rd base which left him seeing stars. Jeff ended up with concussion and is making a quick recovery. After this Lochlan came up to bat and crushed a 3 run homer. Good game with both teams playing strong baseball.

And that home run was a special one with the use of a wood bat. (Hey Captain)

Final score us 11 them 3.

We have paid the deposit for the accom – we must have not been so noisy after all.

Last weekend we were asked what is the deal with the 40th?

So, we have put together this attachment with all details as we know them at present.

Menus included.

In the following newsletters we will be offering some history on the clubs 40 years of bringing a variety of sports to the mountains.

Newer players may not be aware of many of the twists and turns of the past and perhaps this will give you some insight as to the excitement we feel in being able to celebrate it.

The 25th was a moment in time for those around then and will be forever remembered fondly and we trust the 40th will prove to be even more memorable.
