

And now the end is near.....

We must face the playoff season!

F2 – OMG – all conquering still conquering.....

The boys were pumped for our top of the table clash vs titans at Royal Lomatia

Macca took to the mound to start the game. We started a little shaky with a couple of errors in the first allowing 1 run to score.

Our turn to bat and Ed led off with a walk, followed by a triple from Kurt smashing one to left centre field, a wild throw and Kurt scored to make it 2-0. Macca is hot by pitch, Todd walks, Brad lines one to centre and bases are loaded. Brad Billett fresh back from a 6-week honeymoon (2nd game back anyway) singles to eight scoring 2 more. Steve then gets hit by a pitch, Adam walks and it's 5-1 after one inning.

Macca gets makes light work of the 2nd inning. Highlighted but Kurt's circus trick play at 3rd behind the back grab. We then go down 1,2,3 in the 2nd and it's still 5-1.

Top 3rd and they score 1 run on a couple of hard-hit balls, before the defence shuts them down again. Unfortunately, we go 1,2,3 again and it's 5-2.

An error, a bloop and a hit by pitch's tart the 3rd before Macca exits after his best performance of the year 3 and 2 Thursday only giving up 5 hits and 3 runs. Kurt enters with bases loaded and strikes out the batter.

Bottom 4 and Steve singles, AT is hit by pitch before we can't find the key hit and ground into double play.

Kurt strikes out 2 in the 5th before we can't score again

Into the 6th and we knew it would be the last inning. Ground out, strike out and strike out

With just 16mins left we need to take some pitches and get a few men on base. New pitcher comes on, 4th of the day and Danny works and walk, followed by brad m, followed by brad B and the bases are loaded. Steve is then hit by a pitch, they make 3 errors, a sac fly to Macca and it's 10-3.

Time and game the ROYAAAALS WINNNNNN!!!!

Brad had a great game behind the plate, Danny, Brad B and Ed were safe in the outfield under quite a few fly balls. The infield made the plays when needed and 2 great pitching performances from Macca and Kurt

A great game by all. We were patient at bat with highlighted 8 walks and 5 hit by pitch. Wayne even tried to lay down a bunt, but to nought. Steady in the field even with a couple of errors we stuck at it and safe under the high ball.

Thanks again to Dave and Jeff for umpiring

We let one run in then the ball gets hits to Jobbo who makes a play at first to get an out.

We let five more runs in when Loren gets a strike out making two outs we then let one more run in to make it seven across to finish off the innings. The score is 13 - 3

Libby starts off this bat getting struck out on a called strike. Nikki hits to centre field making it on base. Steve then hits the ball and the catcher picks it up throwing to second to get Nikki out who then throws to first for a double play getting Steve out.

We get a pitching a fielding change. Jobbo goes into pitch, Kristy goes into short stop and Loren goes into right field. Five runs get in until the ball is hit to Kristy who throws to Betina to make a play at second for an out. another run gets through until Jobbo picks up the ball and makes a play at first making the second out. one more run gets through to again finish the innings. The score is 20 – 3

Kristy is up to bat first and she gets walked. Cate comes up and hits to the pitcher who makes a play at second who gets Kristy out but Cate makes it safe. Jobbo gets hit by the ball which advances Cate to second. Betina gets struck out making two outs. Then Tom and Libby both get walked allowing the runners to go around and Allowing Cate and Jobbo to get home. Nikki then hits the ball to second who tags Libby out making it three outs.

We let two runs in till the ball gets hit to Kristy again who makes a play at second with Betina to get an out. two batters go by and then the ball is hit to Jobbo again who throws to first to make the second out. we then let five more runs in to finish the game. The score to finish the game is 27 – 5
