## **And the rain came down!**

### **Week one is declared a Washout round**

In a throwback to years gone by we had our traditional first game rain out – don't worry - we will pick it up later in the season.

If it is of any comfort Lomatia was the only ground not closed!

This week though, we are game day ready – hopefully.

F2 and H Royals are at Lomatia – 3.15 and 1pm respectively.

G3 - 3.15 at Peter V Hassell Reserve (Where????)

H Manmeat take the fight to Kellyville at 1pm.

**Good luck and full teams to all!**

And in another week of big stories and bigger questions here is the news!

Tickets go on sale for the 40<sup>th</sup> Anniversary Dinner this weekend.

Your coaches will be beginning to harass you very, very soon!

## Springwood Foundation Day

**As is our custom, we are again having a stall on the boardwalk at Foundation Day.  
It always brings new players and a lot of interest in the club.**

**But we need you, especially Softball ladies, to help staff the stall during the day. If you could give some time it is so appreciated and helpful to the BMB&SC-s presence in the community. All you need to do is answer interested mums' enquiries.**

*The new uniforms are still not going to be there in time so if you could wear a blue T shirt or a Softball shirt that will suffice.*

★

## **CANTEEN Update!**

This week Chrissy returns for an encore Saturday in the Canteen!

This year we have not only Tap n go, Visa and MC but now accept AmEx and JCB cards – guess they are for visiting OS baseball teams!

Innovation never ends – No more are we confined to Tooheys New but we will be introducing a new beer that the Royal is promoting each week.

We now have a Heart Start Defibrillator in the Canteen. Donated by Glenn Jobson, we now are trained up on it and ready to respond.

\*

## **Wet Weather – what's the go?**

*As many new players are a bit confused by the WWP, especially after the beautiful day last Saturday, a refresher is a good idea.*

*A rain out is called after either of the following.*

1/ The council of a particular ground/s declare it so. Blacktown CC are responsible for many grounds and very protective and quick to call it. BMCC not so.

2/ The club deem it (Lomatia) unsafe to play, usually in agreement with umpires and the other team.

3/ The SMBL declare a wash out round due to the vast majority of grounds closed.  
That is what happened this last weekend.

4/ it buckets down during a game, lightening, thunder and brimstone and not enough time has elapsed (around an hour) to declare a result.

\*

## WHO OWNS THIS POOR LITTLE BAT?

It was found abandoned at Lomatia on Wednesday night -it wants its daddy!

\*

We still have a few Hoodies and T Shirts available in the Canteen and Caps and Socks

The Batman cometh.....
