

The behemoth rolls on!

As the other ball sport winds up, the season steps up a gear.

F2 - AT explains.....

ROYALS got things started in the first inning with Ed hitting a single to left frisks followed by a Kurt Dunn triple over the left fielder scoring one run. Brad then scored Kurt from 3rd

Unfortunately, they were the positives of the game.

Brad Billett led things off on the hill for the ROYALS . Things didn't go his with several errors leading to an 8 run second innings.

Todd Shepherd threw four innings in relief pitching well and keeping us in the game. But we couldn't out hits together

Matt Jones went 2-for-2 at the plate to lead ROYALS in hits.

But unfortunately, we just kept popping up or picking out their centre fielder

Not our best day. Turn the page onto next week.

Meanwhile back at the flat green monster.....

It was a beautiful day at Royal Lomatia as the G3 royals where up against Quakers Hill. We took to the field first with Kurt on the mound Lockie catching, Glenn first base, Adam second, Brett short and James third.

Outfield consisted of Scott, Owen and Phil Sutton (who graciously filled in for us)

1st inning went ok as they only scored 2 runs. Our turn to bat and we went 3 up 3 down.

2nd inning saw Kurt struggle to find the strike zone and walked a few batters and just like that Brett was on the mound to save the day. He quickly got the 3rd out and was our turn to bat.

3rd inning saw them get zero runs and our turn to bat. The boys fired up and we got 4 runs across to take the lead 4-3. Lockie just missed a home run by about a metre.

4th inning saw them get 1 across to equal the score 4-4 and then we found the sweet spot of the bat and put 5 runs on to seal the win.

Good game by all a few errors to work on and this win sees us take the top of the ladder.

Big thank you to Steve Beard for umpiring.

LET'S GO ROYALS

The mighty Manmeat were in Newcastle ending their Softball Repping.

So, another forfeit ensued – bummer.

H Royals sache'-ed their way to Monfartville to face the green and white
Nikki debuts her reporter skills.....

We start off the innings with smart batting from the team, not accepting anything in the dirt. With three runs in and loaded bases their pitcher turned up the heat and it was our turn to field.

Lauren took to the mound to start us off. Pete and Shannon Our saw plenty of action this innings in the outfield.

A change of pitcher saw us get three more runs in and a good hit from Matt. Jobbo took the mound next which saw the infield getting some action.

Let's be them next week?

Final score depends on who you talk to but the SMLB recorded a 17-5 loss.

THIS WEEKEND HAS A ROLL OUT EXACTLY LIKE THIS.....

H Manmeat opens @ Lomatia v Kelly Kolts at 12.30

H Royals are the late show @ Lomatia v Mackillop at 2.45

G3 go flatlands @ Chapman Gardens v Mackillop at 2.45

Lastly the elite F2 @ Sam Marsden V Titans at 12.30

Fair pitching and bats to you all!!!

On a sad note – this week the club lost one of our favourite supporters and friends in Kesha Atkins father, Peter.

Our sincerest condolences go out to the whole family at this time.

Thank you, Peter - job well done, life well lived!
