NEWSLETTER #2

Plan B everyone!

After much panicking and confirming – we have circled the wagons and here's the plan – pay attention Jobbo – there will be a test!

1/ The new and improved Registration form is attached so you can read, print out and bring it with you.

Make sure you really read the second page and the Code of Conduct before you sign on the dotted line.

2/ We have secured Lomatia Park this Wednesday (22nd) evening for an informal training session – more like kick the cobwebs out!

Softball are still training but have graciously agreed to host us.

3/ Saturday the 25th, we will have a stand in the Springwood Town Square to facilitate an early registration day. Last year was quite successful so if you wish to get in early and free up Sundays for honing your skills. Grab a coffee and join us.

4/ On the Sundays 25/2 and 5/3 we are able to have a shortened 10 till 12 training sessions at Royal Lomatia. Cricket is still under way and we must be gone by 12.30 and NEVER GO ONTO THE PITCH.

Thanks Adam Thomas for allowing us to use the field. Mate, we hope your surgery goes well and you can re-join us in 2018.

5/ Sunday the 12th of March is a full day session from 10 am.

6/ Game 1 is the following Saturday the 18th.

It's tight but we are the Royals and are partially invincible!

So as you reflect on this schedule an early Rego would be good for the heart and soul.

It has been brought to our attention that some players cannot pay their fees this early due to budgeting problems. We hear you and if this is the case please feel free to chat to myself or Kurt.

Steve Beard has already signed up – so things are back to normal!

It looks like at least three teams again so things should be similar to last year.

However, all 3 teams have lost their scorers and we are desperately searching for replacements. Hmm – have a think about anyone you know that may be able and possible.

Likewise, the Canteen is always in need of a hand from time to time.

Elizabeth Buckley has the website up and going for the season, likewise with the FB page, thanks Dave and Loz.

Is that enough?

Lordy, you try my patience boys!
