

***Blue Mountains Royals Baseball Newsletters 2018***

## **Ain't this the darndest season we ever saw?**

**First week of the Rainouts saw some interesting manoeuvring and predictable outcomes.**

Both G3 and H-Manmeat were forfeited upon and G3 also were moved grounds as well.

H-Royals are long gone BUT G1 flew the flag against Kellyville at Lomatia.

**Macca.....you have the floor!**

**Last game of the year saw us trying to make it 2 wins in a row for a grand total of 3 wins but alas we tried hard but couldn't get across the line.**

We started with Macca on the mound and Kellyville scored 7 in the opening inning as Macca struggled and just really didn't have his stuff this week..... or any week this year. Bottom of the inning saw us put up 1 with a few hits but just couldn't put them together.

Next couple innings went on and Brad came on to pitch and started getting great command but Kellyville got out to a 15-1 lead and the boys just couldn't catch a break.

True to our spirit for the whole year Danny got hitting and so did their pitchers (6 hit batters ) and Brad, Macca, Chris and Ed got some hits and we finished the game off very, very strong and just fell short losing 16-13. Great season boys, played in great spirit and mateship!! Special thanx to Adam for doing managers duties all year and special shout out to Clarkey and James for helping out and to everyone that filled in for us when needed.

*Feel the love, see you all next year!*
