Blue Mountains Royals Baseball Newsletters 2018

G3 TO GF –

And hopefully checkmate!

A battle Royal ensued at Monfartville – but the Merry men triumph!

The 1st round of Semi Finals had the G3 Royal all pumped up ready to go as we headed out to Monfartville to play against the St Marys Saints. This team doesn't even have a good name within their own club, so we all knew what we were up against. Everyone turned up early ready to go for a good warm up and good team vibe. We all knew their tactics and knew where we had to play well to win the game.

1st innings went in a flash with everyone hitting well and finding the gaps. We had Brodie & Captain take themselves out of the game to coach and control the game. With Brodie 3rd base coach and Captain with the clipboard in the dugout, we scored 7 and side away.

We took the field with Kurt on the mound and Jimmy catching. The infield made up of Glen, Brett, Rhino and Langers. Backing up in the outfield was Lockie, Owen & Stevo. With St Marys hitting 2 x single home runs off their only 2 decent batters, we were back batting in no time with a good lead.

2nd & 3rd innings was how we have won games this season, "THE GRIND". Batting wasn't good in the 2nd but made up for it in the 3rd, when we were getting to many runs they had no choice but to bring their "Gun" pitcher on early. In the field, we had some top catching by Owen at Centre field and the infield solid with a controversial call with a play at 3rd.

4th and final innings the Saints had their "Gun" pitcher trying to shut us out but we managed to hit a few away. With a 6-run lead, we made a change to Lockie to take the mound to shut the game out. With only a hand full of hits, top fielding by the infield and another catch in the outfield it was time and game. With St Marys disgusted and wanting to shake hands, we made them wait until we finished our cheer.

2nd week of finals St Marys faced Penrith and won so we need to do it again this weekend. With the draw out, the G3 Royals are the home team in the Grand Final at Monfartville playing at 12:15. (Home team playing at Monfartville???) Everyone, bring your friends & family and cheer us on. There isn't much seating so remember you chair or picnic blanket. Any spare snacks won't go wasted with Jimmy and Langers always looking for extra energy!

This year we will be playing the cup as we did last year on Presentation day.

The game will be at 11am at Lomatia and will be comprised of two teams selected form G1, H Royal, and Manmeat.

No, don't conveniently disappear afterwards because.....

Firstly, those who set up presentation will head off to the Royal to do so and those remaining, by their kind nature and club loyalty will help remove the mound, disposed with full honours.

I appeal to your good nature!
