

Back and to the point!

G1

The boys took on Penrith Tozer, the new team to our division who come came down from the grade above. Or so we thought. At 2.10 no one was there. Then slowly they appeared.

We took that start into the game. We were a bit flat in the field, a few simple plays didn't end up so simple. We found out quickly a couple of them could hit, and hit the ball hard!!!!

In the first we traded 1 run each before the top of the 3rd we made 3 errors, and gave up 2 runs. We quickly came back with 7 batting around, hits from all.

Then in the top do the 5th we are at it again a couple of errors, a couple of bloopers and all of a sudden it was 10-7. Todd was solid as ever with 4 and a third innings, then with a few runners on Kurt took to the mound for the first time of the season and shut down the opposition. LJ came on for the last inning to finish off the game.

We hit well, but should have put them away but more, still a win is a win, just not our cleanest in the field.

Jade and Paul led the way with 3 hits apiece. Lists of hits all around.

Thanks to Tom Miller and Steve Beard for umpiring for us with their team on a by

G2 went down to the flatlands!

On a cold, windy but pleasant afternoon we travelled to fabulous Benson's Lane, or what the floods had left behind. The floods had taken out the Canteen and most of the diamond dirt but not the hutzpah in the local folks.

With a squad of 20, they were ready to rumble, top of the ladder v the bottom (us)

That's where the disparity ended. We had a report they were big hitters but the wind was their enemy.

Inning 1 – we get one, them none! – Macca ablaze on the mound!

The winds were blowing everywhere and catches were a challenge, Marty diving left and right in right.

Inning 2 – they get 3 -we get none – bummer all round.

Inning 3 – Brad pitches – they get none and we get 2 – redemption.

Inning 3 – them 1, us none! – Hope springs eternal.

Inning 4 – Doc's keeping them honest - them 1, us none! Close but no cigar!

So, a 5-3 loss, not bad for top/bot. Riddler demanding a deck chair in left field with not one ball hit there, PAPA Tony solid at the back, P.C./C.J./Quinny all dependable as.

They were supposed to thrash us but we met them on the battlefield and held our bats high!

G3 – the laptop speaks!
