## .....and the rain came down AGAIN!

My fellow devotees we endured another rain soaked weekend –So what 's new?

This weekend will see us finding the answer to the BIG question –why are F grade playing the early game and G3West the late???????????

Both at the Royal Confines of Lomatia.

H grade on the other start their long away season finale ' by traveling to Chapman Gardens in beautiful, culturally significant Kingswood. And a late game to boot!

The facts are slowly emerging about the sudden scratching of H grade team

“ Kingswood –Sheppard ”

In a communiqué from the SMBL we found that the remaining players ( whatever that means ) were absorbed into higher grades! And teams who were to play them will be credited with Forfeits and probably have a Bye. Can' t wait to get the goss!

Good luck to all!!!!!!!!!!!!!!!
