**Chaos and the usual weekly stuff!
But for you my honorees here is what really went on—the stuff
the Government doesn't want you to know about!**

What is going on in Kingswood?

Composure Mike—composure!

Some things are as perennial as the grass such as Phil stretching of the facts.....

As the number 1 attraction on show at royal Lomatia last weekend we were given the honour of playing after F grade.

The last placed St. Mary's Saints where a dangerous prospect as we were expected to win easily and we were coming off our 1 and only loss of the season against the other St. Mary's side.

And we didn't disappoint ! After watching a close low scoring affair we went out and scored freely. Brett went 4 innings without giving up a single run ! Mark seemed to be a magnet for the ball and got all 3 outs in one dig.

Showbags himself put the visitors out of their misery in the 5th.

All in all a great team effort running up the score to 16-0.

Everyone got in on the hitting action and once again Coach Dave held up Mark with some impressively slow running.... LOL

Dogs and Beers where enjoyed by all after the game. Thanks again to Holly for looking after us.

So did anyone find out why F played first!

Thanks AT –solid as a rock!

Playing the early game for what some could recall as the first time ever the F grade boys were a bit slow to start with the bat.

Jackson started ok the hill and what a game he had. Keeping the opposition in his pocket the whole game. He finished 6 innings 88 pitches no runs.

Hitting was tough for both teams with the scores nil all through 5 innings. In the bottom of the 6 the Royals Kurt ripped one past the 3rd baseman, Chris then hit bringing Kurt home and Jackson blooped one to right field to allow Chris to score.

Some great fielding plays from all backed up a great start by Jackson, which was then finished by 1 inning from Kurt.

A final score of 2-0 was a win that was needed after two 1 run losses. Well done boys onto Corbin next week to strand the QH Castaways with another loss.

(Insert evil laugh)

Some took it harder than others!

For the rest of us H graders we spent an afternoon basking in the sun, eating Doggies and crying into our sponsored beers collectively.

Or Coke if it was Matt or Lochy—Tania or Jo.....really
