

# BLUE MOUNTAINS BASEBALL Winter 2020

# 7

## THE FACTS AS WE UNDERSTAND THEM!

As the NSW State Government eases restrictions more widely,

Sydney Metro Baseball League has stated that there will be a shortened season commencing on either 4<sup>th</sup> July or the 11<sup>th</sup> July and accordingly it will be 6 or 7 week season, and then finals.

We have been asked to supply expected team lists and a draw will arise from there.

Your coach should have contacted you by the time you read this and if you haven't replied please do so as soon as you are decided either way.

Costs are still to be worked out, but will be quite reduced.

## TRAINING!

God bless AT, as he has had some of his boys out on the diamond these last two Sundays.

However, we are opening it up to all from this week, BUT there is a swap to Saturday from this Saturday from 11 am, I'm told.

Wednesday will come on line soon as we can find someone to head it up.

\*\*When you do go to training please sign the attendance sheet as it affects the injury/ Insurance liability if you get injured!

It's that time of year again!

## **The Annual General Meeting of the Blue Mountains Baseball and Softball Club**

For those who came in late, we hold our yearly elections at this time to determine who will lead us forward into the 20-21 Financial year.

All positions are declared vacant and then nominees called for, renotified or on the spot, and votes cast.

This year, as our usual venue is still closed due to Covid 19, will be at the Royal Hotel Springwood, home of our long-time sponsors.

The date is Monday, 6<sup>th</sup> of July at 7pm.

If you or someone you know wants to do you in and consider standing for a position, let one of the Exec Committee or myself know by return email.

We are always looking for new blood. If you think something needs attention within the club here is a good chance to get involved and work things for the better.

Pizzas supplied as there is no Restaurant open on Monday!

See you there or there. Cheezie smile emoji.
