

BLUE MOUNTAINS BASEBALL Winter 2020

8

SO CLOSE YOU CAN TASTE IT!

Register now! Here is the link

<https://reg.sportlomo.com/club/baseballaustralia/baseballnsw/bnswsmb/bluemountainsroyalsbaseballclub>

The cost for Winter only is \$150/ less for those who played summer and/or are juniors.

There may be a slowness coz everyone is doing it from all clubs asap. Be patient.

The first week's draw is attached to this newsletter – 1 hour before for warm ups.

As you can imagine, there is a lot of babble going on about return to Amateur sports, nothing on the news about Baseball, but our league, SMBL, had battled on to resurrect this 2020 season and we are back this Saturday.

To play there are certain new regulations relating to the pandemic and rather than translate it we thought we might present it to you as BBNSW has to us.

A second email with the full doc from BBNSW will follow for you to peruse at your leisure,

But to highlight the simple points here goes: -

Hygiene

- No sharing of towels/water bottles/food, including lollies
- Any areas (meeting rooms, treatment rooms, change rooms etc) accessed by players and officials to be comprehensively cleaned and sanitised after each use
- Clubs to take steps to adequately clean and disinfect player facilities (once available) before and after use

- Clubs must do all they can to reinforce the above precautions, including making available appropriate hand washing facilities, as well as the provision of alcohol-based hand sanitiser and tissues

From the BNSW website:

REQUIREMENTS AFTER JULY 1st

At a minimum there shall be adherence as per the above referred NSW Department of Health Public Order Guidelines;

- Please refer to revised 'BNSW Return to Competition Plan'
- No restriction on how many registered members may gather
- Clubs and Associations are still required to retain an attendance Checklist of all registered members present at any facility
 - This does not apply to spectators
 - There will be NO restricted Activity Zones
 - Change rooms and toilets will be available for use

Please note – we will not be having a Canteen for this shortened season.

We will insist on every one supplying their own Helmet and batting gloves.

If you use a common bat without gloves please sanitize before use.

Our nominated COVID Officer is Adam Thomas – please follow his directions.

The Annual General Meeting of the Blue Mountains Baseball and Softball Club

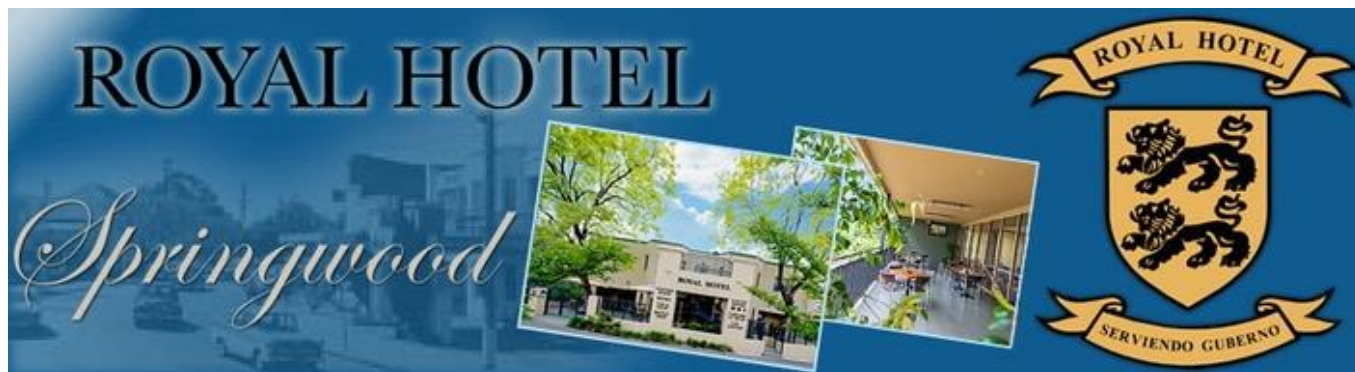

I know you are busting to go out and vote, so come on!

This year, as our usual venue is still closed due to Covid 19, will be at the Royal Hotel Springwood, home of our long-time sponsors.

The date is Monday, 6th of July at 7pm.

We are always looking for new faces. If you think something needs attention within the club, here is a good chance to get involved and help work things for the better.

Pizzas supplied as there is no Restaurant open on Monday!

We are still looking for players, so if you think 6-7 weeks is enough please contact the club, coach or anyone you know to sign up!

**** Don't forget umpire payments for away games with an assigned umpire.**
