WINTER 2016 #18

HISTORY IS MADE!

A HOME GRAND FINAL!

This Saturday at the friendly confines of Royal Lomatia Park.
Game time is 2pm.

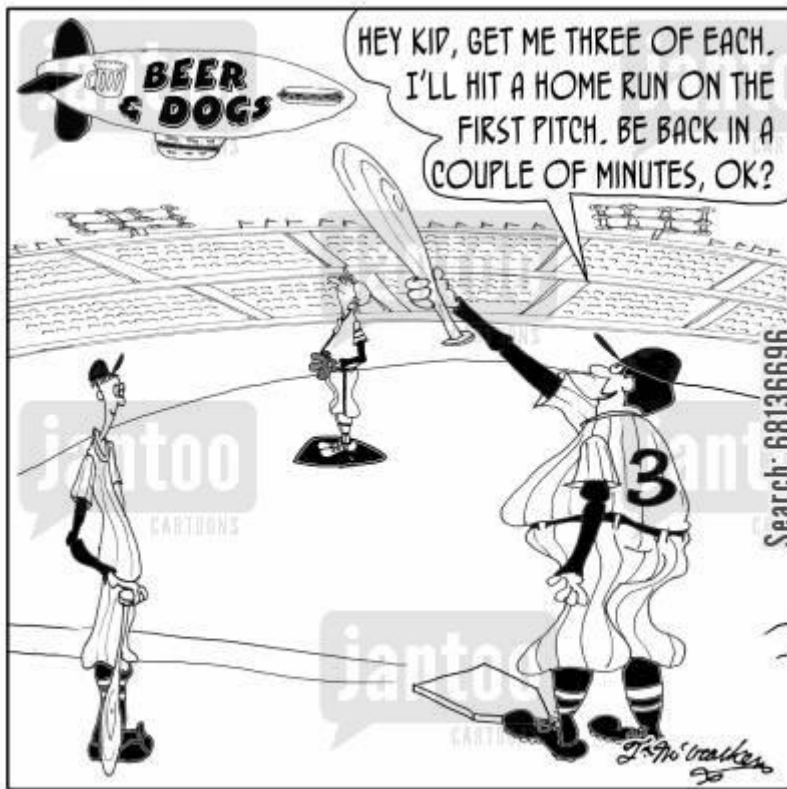

We need help to prepare the grounds and set up the Pagodas, align our chakras, and bring the vibe.
Dave's magic Baseball music machine will be on hand as well as the ever popular 'Canteen de la Hollie!'

Come along and support our F2 giant killers as they take on Mackillop!

(G3, they include the Umpire who walks) Grrrrrr!

This is our time to shine!

Finally, we know what the Babe was really pointing at.
