Master of Ceremonies Chris Jones - VP Baseball!

The top award for the night is one that goes to someone who gives far beyond the playing roster but seeks to make the Club experience a much nicer place. This lady gives year after year to both Baseball and Softball clinching the award by making sure both G3 and F2 sampled the Pulled Pork Rolls so fabled by G2.

So this year the BMB&SC Clubman of the Year 2016 is
HOLLY MURPHY!

So who were the big winners on the night?

F2 – Grand Finalists

Home run bats awarded to Brad Murray (2) and Paul Petterson.

Batting award went to Paul Petterson (Petto)

Players Player went to Angus Johnston

Every one well deserved and applauded by the entire Club.

In a sincere footnote the real winner is our Club Legend Glenn Jobson who managed to survive the season and be with us on the night. Thank you to Todd Allchin from Saint Marys who joined us for the night and the festivities.

Mate you left behind the Breath freshener and spare ribs!

VIVA LE JOBBO!

Shush – be quiet you rabble, the President speaks!

The Year in Review 2016

I would like to take this opportunity to thank the players, coaches & fans for the way they conducted themselves on and off the field this season.

It was a successful season even though only one team played finals, but it was the influx of new players that was really pleasing to see.

We lost the giant old tree that shaded the diamond after a large branch fell nearly causing injuries to local school children, the new designs for the club house has gained momentum with meeting occurring more frequently and then there were medical emergencies as well as newborns.

The implementation of the inaugural Intra Club Challenge was a raging success won by Dave and his G2 squad and next years game has already been discussed and should be a bigger and better event, also new apparel for players and fans is now available.

The realisation of a possible 4th team next season has prompted the club to conduct some pre season registration days at Springwood and possibly Katoomba early next year to see what interest can be gathered prior to the normal registration days.

In concluding the clubs softball season is about to commence and a big thank you to Trent, Kesha and all those who have worked tirelessly to get the teams and new uniforms organized for the 2016 season, which we wish all teams the best of luck.

Wil Maartensz
President
